**Sub:- Implementation of Third Wage revision and stoppage of Tower Company.  
Discussion with All Unions and Associations-regarding**

Respected Sir,

It is bring to your kind notice that eversince the issue of third wage revision was raised, all unions and Associations were gathered in support of the same. Fact remains that as a result of consistent agitations the visibility of wage revision could be geared up and the Hon'ble MoC and Secretary DoT were kind enough to accept the same. Subsequently the DoT has issued instructions to your kindself to sort out the issue and send the proposal to DoT for its approval.

Recently on 11-06-2018 you have called only four unions i.e. BSNLEU, NFTE BSNL, SNEA and AIBSNLEA for deliberations which are very much painful to our union and must have also been to all other left out unions since this was a common issue for development of BSNL and to all. So far All Unions and Associations had been taking part in this common issue and at this juncture when the issue is at the verge of settlement, other unions have been deprived of which shows the transparency is being hidden. Earlier there was a procedure to call for all unions to participate for common issues/discussions.

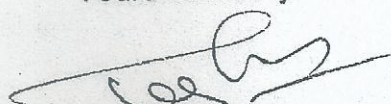

It is understood that you have expressed your views that BSNL is facing a severe financial crisis due to disruption made by the competitors and to overcome these crises every employee of BSNL has to become a sales and marketing man. The NUBSNLW (FNTO) is also a third majority union in the organisation and we are also sincerely devoted to welfare of BSNL and in the interest of members.

In such a crucial meeting we have been deprived of to attend the meeting despite all earlier events associating us in the All Unions and Associations.

I therefore, request you sir in the forthcoming meetings/discussions all unions may be invited to attend in the best interest of BSNL and workers as well so as the sanctity may be maintained.

With regards,

Yours Sincerely

  
(K. Jayaprakash)  
General Secretary
