We are extremely happy to note that the LICE (erst while TTA) which was held on 28-01-2018. But we are sorry to note that we are receiving several complaints from the field units regarding the out of syllabus questions in the examinations. It is also pointed out that the level of questions were in high standard and is very difficult to answer as the candidates are having plus two standard.

But the answer key of the same was not published even though two weeks were elapsed after the examination which will be helpful for the candidates to compare and confirm the written answers with the correct answers.

So it is requested that steps may please be initiated to publish the answer key and set up a review committee for awarding grace marks for out of syllabus questions.
