**Sub: Formation of Wage Revision Committee for 3<sup>rd</sup> Wage Revision in BSNL-Reg**

Sir,

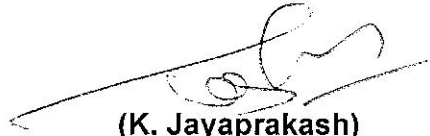

We extend our thanks to you for your positive response in order to grant PLI to BSNL employees for the year 2014-15 and subsequently issued the order for payment. As you are well aware, at present the burning issue before the BSNL employees is to settle the 3<sup>rd</sup> wage revision due from 01-01-2017. For this purpose, it is very necessary to form a Wage revision committee consisting all the applicant unions. We hope that an early action in this matter will be initiated at your level.

However the committee of 3<sup>rd</sup> wages revision for executives is already on job and hence to delay the process in respect of non-executives will not be justified.

With best regards
