To

Shri. Ravishankar Prasad ji,
Hon'ble Minister of Communication & I.T,
Govt. of India, Sanchar Bhawan,
New Delhi 110001.

Sub: - Flood affected state due to heavy rains, Railway communication -regarding.

Respected Sir,

The history of P&T, Department of Telecom and presently Bharat Sanchar Nigam Ltd. is well known to all Indian citizens and I need not repeat here for the sake of brevity.

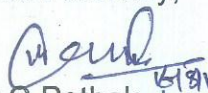

Sir, not long before Railway Department appointed Jio as official agency for Communication. Now it is gathered that worst flood affected Kerala state has purchased BSNL Sim cards for effective communication as Jio has not served the purpose. This situation may be in other flood affected states also from where reports are awaited.

Sir, it has been history of BSNL after its creation to provide communication in worst natural calamities hits areas all over India. Moreover the BSNL has a hereditary skill and enthusiasm inherited from erstwhile Post & Telecommunication organisation with the spirit of providing services at any cost which present private Telecom Companies cannot do since they are borne for commercial purpose only.

Since BSNL is presently under acute financial crisis, may I request you sir, to take up the matter with Hon'ble Railway Minister to review their decision in Favour of BSNL

With Warm Regards,

Yours Faithfully,

(B.C Pathak)
General Secretary I/C(C)
