Chairman & Managing Director  
BSNL  
New Delhi.

Respected sir,

Subject: Agitational programmes in BSNL on implementation of 3 PRC and other issues – reg.

\*\*\*

We are very much constrained to being to your kind notice that the BSNL management and also the DOT is entertaining only a handful of Unions and Associations in BSNL operating under aegis of AUAB while leaving out a majority of Unions and Associations.

As such the AUAB is not the sole representative of the entire work force in BSNL. In fact apart from the 2 recognized unions and associations and also the support Union and Association the rest of the unions in AUAB does not have membership worth mentioning and we fail to understand as to how the BSNL management and DOT have fallen a prey to this forum and holding parleys for no end.

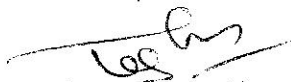

In view of the above we would request you to kindly reconsider the issue of holding parleys with the AUAB and instead invite all the registered trade Unions and also other officers Associations functioning in the BSNL so that a meaningful and purposeful discussion takes place and a settlement is reached on the contentious issues.

Thanking you.
